## Chapter 1 by MockingjayGirl

Once upon a time,

There was a princess named Darla. She lived in a kingdom in the clouds. Her castle was made of crystals. Darla had always been fond of dragons, even when she was a baby!

One day Darla decided to go outside. So she walked out onto the clouds and breathed in the fresh, cool air. All of a sudden she felt a gust of wind!!! Something was rising out of the clouds, it was a baby dragon! The dragon had silver wings, a blue and white body, and a silver and blue tail.
